

## About Culham

NNL's Culham office is an office suite based at the Culham Science Centre. NNL are resident on the first floor of building D5. The office is co-located with the United Kingdom's Atomic Energy Authority's nuclear fusion centre.

Specific activities at Culham include:

- Radiation chemistry and corrosion relating to all areas of the nuclear fuel cycle.
- Modelling of chemistry in nuclear reactor coolant systems.
- Mechanistic understanding of the effects of irradiation on materials including ferretic steel, austentic steels, Zircalloys and graphite.

Approximately 30 people are based at Culham.

The postal address is:  
Culham Science Centre  
Abingdon  
Oxfordshire  
OX14 3DB

Tel no: +44 (0)1925 933744 takes you to our Chadwick Office switchboard.

## Working at Culham

### Office Opening Hours

Opening hours at Stonehouse are: 08:00 – 17:00 Monday to Friday

### Site Induction

Prior to arriving at Culham House, please ensure that you have completed the site induction on e-learning.

### Accessibility

To gain access to the building you will need to make arrangements with your Line Manager.

Should you require any reasonable adjustments or additional facilities whilst working at Culham, speak to your manager or HR Business Partner. The Reasonable Adjustments Passport will be completed so arrangements can be made accordingly.

### Hybrid Working

NNL has adopted a hybrid approach to work, which enables you to combine working from home with working on site. Currently, there are no formal arrangements in place for Hybrid Working at Culham, on arrival your Line Manager will allocate you a desk.

### Welfare Facilities

Male and female toilets can be found outside the NNL controlled area. There is a disabled toilet near the entrance to D5 on the ground floor as well as male and female toilets. A UKAEA security pass is required to access the disabled facilities.

A lift is also available at this location.

Kitchen facilities are available in the office suite, where tea, coffee and milk are provided. The kitchen is equipped with a fridge, toaster and microwave.

A coffee shop and café which serves breakfast and lunch can be found within walking distance of the office.

### Car Parking

There is plenty non-allocated parking, the closest being Car Park 5 (along Main Avenue) by D5 Main Entrance. If Car Park 5 is full then Car Park 3 or 4 are alternative options.
