

Workington Laboratory

About Workington Laboratory

Our Workington facility contains a non-radioactive engineering rig hall, where we carry out a lot of robotics work and other testing of equipment before it goes into full trial on the Sellafield site. The facility also contains a suite of offices and meeting rooms.

Approximately 230 people are based at Workington.

The facility postal address is:

Havelock Road
Derwent Howe
Workington
Cumbria
CA14 3YQ

Tel no: +44 (0)1925 933744

Working at Workington Laboratory

Office Opening Hours

Workington Laboratory is open from:

07:00 – 16:00 Monday
07:00 – 17:30 Tuesday - Thursday
07:00 – 15:30 Friday

Please note that the reception area is not always staffed.

Site Induction

For unescorted access to the office area in Workington, you will need to complete the Workington Office Induction (e-learning) and a walk around of the office area. If you also require access to the Rig Hall, you should complete the Workington Laboratory Office and Rig Hall induction (e-learning).

Accessibility

Should you require any reasonable adjustments or additional facilities whilst working in Workington Laboratory speak to your line manager or your HR Business Partner. The Reasonable Adjustments Passport will be completed so arrangements can be made accordingly.

Meeting Rooms

There are a number of meeting rooms of varying sizes located throughout Workington Laboratory which are bookable via the Outlook calendar. The meeting rooms which have 'hub' in their name have facilities to hold Teams meeting.

Hybrid Working

NNL has adopted a hybrid approach to work, which enables you to combine working from home with working on site if this is appropriate for your role.

There is a desk booking system on Outlook to reserve a desk if you are working at Workington Laboratory.

Welfare Facilities

Male, female and disabled toilets are located on levels 1 and 2.

Kitchen facilities are available on the first and second floors, where tea, coffee and milk are provided.

A canteen area can be found on the second floor, which provides tables and a seating area. There are vending machines for hot drinks and snacks. Fridges and microwaves are also available.

Other facilities available include a Contemplation/Rest Room, Multi-Faith Room. Speak to your Line Manager for information on how to book this facility.

Car Parking

Plenty of car parking is available at the side of the building and in the overflow car park on the left behind the Tata Building.

Disabled parking is also available at the front of the building.

Facilities close to Workington Laboratory

There is a small retail park in close working distance containing takeaway outlets, supermarkets and shops.
